

Cali-Camp Weeks in Attendance Form 2010

To all Volunteer Junior Counselors,

Without you, Cali-Camp would not run as efficiently. In order for us to maintain our excellent counselor/camper ratios and plan our staff assignments we must know as soon as possible which weeks you will be IN CAMP. According to the basic requirements of the 2010 Volunteer Junior Counselor Program **All Jr. Counselors are required to attend 7 of the 9 weeks.** In order to meet your required attendance requirement you must choose at least 7 weeks, but you may choose to be in camp for the entire summer. Return the tear off below as soon as possible & start planning those costumes and special projects for

groups today. Below, find our 2010 Special Events Calendar to assist you in choosing the weeks you are requesting.
